Workshop

Come and join us as we explore what God's design is for us as women. We will learn how we can use our cycles and seasons of life to mentor one another. We will talk about how we can learn to be grateful for how God has designed our bodies – so perfectly and beautifully.

Let us embrace, biblically, that there are not only physical aspects but spiritual and emotional aspects surrounding our cycles all the way from maidenhood through menopause.

"I will praise You, for I am fearfully and wonderfully made; marvelous are Your works, and that my soul knows very well."

~ Psalm 139:14-15
